

***Sutton Community Senior Center  
Walking Key Agreements***

Annual cost for a walking key is \$25 per year for Senior Citizens (60 years of age or older) or \$50 for non-senior citizens. \$50 for any other activity users such as sports practices, regular group meetings etc.

Adults MUST be present at Sutton Community Senior Center when using your walking key! If your key is given to anyone other than yourself or persons under 19 with no adult present, this could result in having your walking key privileges taken away.

There are occasionally people who rent the Community Center on the evenings and weekends and are paying customers. They have precedence over walking key patrons. If you'd like to use your walking key, you are best advised to call on Friday before the weekend or during the day to see if the facility is rented out.

Make sure to turn off lights in restrooms, kitchen, gym and carpeted area prior to leaving the building and all messes cleaned up. Please try to not use lights or adjust heat/air conditioner if at all possible. Heating and cooling costs are very expensive for this facility.

**Make sure to lock the building securely prior to leaving. This is your responsibility.**

THANK YOU for following the above guidelines. As long as these are followed, we will be able to continue with the walking key program.

If you have any questions, please refer to City Hall at (402) 773-5607.

*(Detach bottom portion and return with payment. Top portion is for your records)*

I agree to the above walking key guidelines and realize that failure to follow above guidelines could result in the revocation of my walking key.
